## **Amazing Journeys**

As our anniversary celebration winds down, we look back at the As our anniversary celebration winds down, we look bluck at the last fifteen years with gratitude. We feel privileged to have gone last fifteen years with gratitude. Dear Customers and Friends, use fifteen years with granuae. We feel privileged to nave gone on many amazing journeys, with birds and fish that researchers on many amazing journeys, with birds and fish that researchers on many amazing journeys, with birds and fish that researchers on many amazing journeys, with birds and fish that researchers on many amazing journeys, with birds and fish that researchers on many amazing journeys, with birds and fish that researchers on many amazing journeys, with birds and fish that researchers on many amazing journeys, with birds and fish that researchers on many amazing journeys, with birds and fish that researchers on many amazing journeys, with birds and fish that researchers on many amazing journeys, with birds and fish that researchers on many amazing journeys, with birds and fish that researchers on many amazing journeys, with birds and fish that researchers on many amazing journeys, with birds and fish that researchers are the province of the properties of on many amazing journeys, with birds and pish that researchers around the world have tracked. We have shared our customers around the world have bare bare accord continents and their birds have accord continents and their birds have accord continents. around the world nave tracked. We have shared our customers excitement when their birds have crossed continents and their fish have circumnavigated oceans.

Come along with us as we follow this 275 gram Eurasian Hobby on a truly amazing journey across two continents, from Sweden to Africa We thank Daine Strandhord Than HOUDY ON A THUY AMAZING JOURNEY ACTOSS TWO CONTINENTS, Thomas from Sweden to Africa. We thank Roine Strandberg, Thomas Alamatam Military Halo and Datrill Olofocon for charing this Alerstam, Mikael Hake and Patrik Olofsson for sharing this

Next we fly from Chile to California on the wings of the pink footed shearwater. Our thanks to Peter Hodum and David story with us.

Jovied Stiemmater. Our mariks to reter modulit and Dav Hyrenbach for taking us on their shearwaters' journey. Last but not least, we follow the travels of the Atlantic

Last viu not least, we joined the complex to the sailfish from the Charleston Bump Complex to the Bahamas. We thank Josh Loefer, George Sedberry, Ballanius. We mark Josh Loelel, George Seaverly,
Dan Russ, Jonathan Geddings and Philip Weinbach

pair russ, sometime deep with their sailfish. for taking us into the deep with their sailfish. Preuse Join the School Children of Box Educat School

Congratulations to both schools for winning free PTTs for their school projects.

We share their excitement and look forward to their reports.

Congrammations to bout schools for withing free 1'1 18 for the learning fr A year from now, we may be looking at discoveries made possible by our new emaller nonin tag Fuery time we introduce a smaller was smaller nonin tag.

A year from now, we may be looking at discoveries made possible by our new introduce a smaller unit, we may be looking at discoveries made possible by our new introduce a smaller unit, and smaller popup tag. Every time we introduce a smaller unit and smaller popup tag. Every time we introduce a smaller unit always doubtful whether we can find smaller popup to achieve a new milestone but always doubtful whether up can find the population of smaller GPS unit and smaller popup tag. Every time we introduce a smaller unit, every time we introduce a smaller unit, there we are happy to achieve a new milestone but always doubtful whether we can furnish the miniaturize our docion. So it is with areat pleasure that we introduce our new there miniaturize our docion. we are happy to achieve a new milestone but always doubtful whether we can further miniaturize our design. So, it is with great pleasure that we introduce our task ther miniaturize our design. So, it is with great pleasure that we introduce our task and our time next generation. Archival Ponnin tag Though our task ther miniaturize our design. So, it is with great pleasure that we introduce our tesk.

Though our task

22g GPS unit and our tiny next generation Archival Popup tag.

22g GPS unit and our tiny next generation on our journey with much enthusiasm 228 GPS unit and our tiny next generation Archival Popup tag. Though our task and our tiny next generation on our journey with much enthusiasm. Sets harder as we go smaller, we continue on our journey with much enthusiasm. We thank you for the opportunity to serve you, our customers, over the last fifteen whether we would be the serve you, our customers, over the last fifteen we would be thank you for the opportunity to serve you, our customers, over the last fifteen we would have a serve you, our customers, over the last fifteen whether we will be the serve you, our customers, over the last fifteen whether we will be the serve you, our customers, over the last fifteen whether we will be the serve you, our customers, over the last fifteen whether we will be the serve you, our customers, over the last fifteen whether we will be the serve you, our customers, over the last fifteen whether we will be the serve you.

We thank you for the opportunity to serve you, our customers, over the last fift years and look forward to many more years together. We wish you happiness, health and joy in 2007

health and joy in 2007. Suiverery, paul and the staff at MTI Sincerely,
